

SONY**VAIO**

Plenty of power. Won't overpower your room.

Portable Multimedia Entertainment

Feature-packed desktop replacement that performs more like an entertainment center. Plenty of power that won't overpower your room.

Integrated DVD±RW/CD-RW Drive

Burn professional quality DVDs and CDs.⁴

AV Entertainment Dock

Plug in and access Sony's most powerful TV tuner available in a notebook, personal video recorder, high-end digital audio amplifier and premium Sony speakers. Enjoy recorded show playback anywhere you take your notebook.

Superior LCD Technology

Powerful combination of exclusive Sony technologies combines to give you truly incredible image quality. XBRITE™ LCD Technology delivers ultra crisp and super bright graphics like you've never seen in a notebook. Smart Display Sensor™ automatically adjusts to any projector or display resolution.

Centrino™ Mobile Technology

Centrino™ Mobile technology runs cool and quiet, while keeping the profile slim and light, with enhanced performance and battery life. A remarkable blend of full-size power and portability. Wireless capabilities let you connect wire free around your home or on the road.

1. GHz denotes microprocessor internal clock speed; other factors may affect application performance. CPU speed will be reduced under certain operating conditions.

2. GB means one billion bytes when referring to hard drive capacity. Accessible capacity may vary. A portion of hard disk space is reserved as a recovery partition.

3. Requires compatible wireless LAN access point, sold separately. Internet connection may require fees.

4. DVD Media/Formats are not universally compatible.

5. Supports Memory Stick PRO™ high-capacity media tested up to 1GB. Does not support MagicGate™ functionality.

6. i.LINK is a trademark of Sony used only to designate that a product contains an IEEE 1394 connector. All products with an i.LINK connector may not communicate with each other.

7. Estimated battery life. Actual battery life may vary on usage.

8. New users only. Terms and conditions apply.

9. Certain restrictions apply. For a copy of Sony's warranty, please visit www.sony.com/pcsupport, call toll-free 888-476-6972 (888-4SONYPC), or write to Sony Electronics, 12451 Gateway Boulevard, Fort Myers, FL 33913.

10. Type of repair service provided is solely at Sony's discretion. Not all types of repair service offered on all models.

Computer Interface: The computer industry lacks standards, and therefore, there are a multitude of varying software packages and add-on hardware options. This personal computer is not manufactured to operate any specific software, and Sony does not and cannot make any warranty or representation with respect to the performance of this product with any particular software packages and/or non-Sony add-on hardware options

VGN-A190 Notebook

The VAIO® A Series Personal Notebook is a desktop replacement computer. Unlike other full-size notebooks, it connects to an AV dock that enables a TV tuner, personal video recorder; S-Master™ digital amplifier and premium speakers.

except those mentioned in this document. Sony hereby disclaims any representations or warranty that this product is compatible with any combination of products you may choose to connect. While Sony representatives or Sony authorized dealers may be able to assist you and may make recommendations, they are NOT authorized to vary or waive this disclaimer. Purchasers must determine for themselves the suitability and compatibility of the hardware and software in each and every particular instance. Software titles pre-installed on the Sony Notebook Computer are subject to change without notice. Simulated graphic shown on display. Preinstalled software may not be identical to retail versions or have all documentation. This product meets the standards of the International Energy Star Program for energy efficiency. Features and specifications are subject to change without notice. Non-metric weights and measurements are approximate.
